Realtor: Larry Crumbley, Fickling & Company

AdvancePost leased 42,140 sq. ft. in the Ocmulgee East Business Park on I-16. The facility will provide work for as many as **65 employees** by the end of 2007 with a planned expansion into a total of 80,890 sq. ft. of processing and warehouse space. The company expects to be operational in Macon by July 1 with rapid growth heading into Q4 of 2006.

Johns Manville – May 2006

Johns Manville, a Berkshire Hathaway company, manufactures residential and commercial insulation, commercial roofing, mechanical insulation and materials for other manufacturers' products and applications. They expanded their Macon plant investing **\$5.5 million and added 20 jobs**.

RBX – April 2006

Realtor: Jim Jackson, Jackson & Jackson, Macon, GA

RBX, Springfield, MO based transportation firm has leased a truck yard on Mead Road. They will be handling logistics for Bass Pro Shops Distribution Center. Macon was successful in obtaining the contract for long haul from Branson, MO to Macon and from Macon to the southeastern feeder stores.

Asplundh - April 2006

Since 1928 the Asplundh Tree Expert Co. has been dedicated to safe, efficient and innovative line clearance services to the utility industry. The PA based company opened an office in Macon leasing **2,500 square feet and hiring 5 people**.

Precision Pipe – 2006

Precision Pipe & Vessel LLC, is a Denver based ASME code shop with extensive experience in Designing and Building Natural Gas Processing Plants, Prototypes, and other types of Equipment. They opened an office in Macon leasing **2,500 square feet and hiring 8 people**.

Dowty Propellers – April 2006

Realtor: Miki Folsom - Coldwell Banker Eberhardt & Barry, Macon, GA

Dowty Propellers, a subsidiary of Smiths Aerospace, announced in April that they will locate an engineering support facility for the C-130J program at Robins Air Force Base. Dowty's role at Robins Air Force Base will be the long term maintenance, replacement, and repair of the C-130J propellers as well as maintaining spare parts inventory. Dowty has plans to invest **\$500,000** and create **5 new jobs** in Macon.

Sara Lee Food & Beverage - January 2006 Sara Lee reorganized and changed the name to Tyson Foods in 2015.

Project Managers: Matthew Patterson - Georgia Department of Economic Development; Michelle Cooper - MEAG Power

Sara Lee was the first company announced in the I-75 Business Park. The company is constructing a 213,000 sq. ft., **\$23 million** distribution center in the I-75 Business Park. The facility will distribute both frozen and refrigerated Sara Lee meat and bakery products to the Southeast market. This is the first dedicated distribution center in Georgia for the Downers Grove, IL company. Sara Lee selected Macon over other Georgia sites and will house their customer service operations for the Southeast out of this facility.

Fed Ex. Ground – December 2005

Project Manager: Brooke Lucas, Macon Economic Development Commission

Fed Ex. Ground was the last company of the 2005 year to join the Macon community. The company is constructing a 44,771 sq. ft. site in the Garrison Construction Mercer Junction development at I-475 and Mercer University Drive. Fed Ex. Ground will **employ 30 employees** and invest **\$3.17 million** in the project.

Bluestone - August 2005 Bluestone closed their operation in Macon in 2006.

Bluestone Consulting Service, a telecommunications outsourcing company, opened an office in Macon leasing 10,000 square feet in downtown Macon. They employed 44.

Battle Lumber Company – April 2005

Battle Lumber Co. has purchased two facilities, one in the Airport Central Industrial Park and one in the Airport South Industrial Park. The new facilities will allow Battle Lumber Co. (BLC) to expand their hardwood flooring operation by adding a pre-finished hardwood flooring facility and a new wood flour manufacturing facility. BLC will add **37 employees** and invest over **\$5 million**. BLC, based in Wadley, GA, has operated in Macon since 2001 and employs over 180.

McClure-Johnston – April 2005

Project Manager: Brooke Lucas, Macon Economic Development Commission

McClure-Johnston will invest **\$750,000** in the Macon community. They have purchased a 21,000 sq. ft. site in the Allied Industrial Park in south Bibb County. McClure-Johnston's investment will create **5 new jobs** in the area.

Panaprint – March 2005

Realtor: Bill Ramsbottom, The Ramsbottom Company, Macon, GA

Macon based printing company Panaprint, Inc. has purchased a 240,000 sq. ft. facility in Airport Industrial Park and expanded their full service state-of-the-art printing operation. The new facility will allow Panaprint to expand their employment by **60** with an investment of **\$10 million**.

Bass Pro Shops – January 2005

Project Managers: Bill Dobbs, Georgia Department of Economic Development; Buddy Glazner, Georgia Power

Bass Pro Shops selected Macon as the site for their first Distribution Center (450,000 sq. ft.) outside their Springfield, Missouri headquarters. The nation's leading outdoor recreation company will also construct a 125,000 sq. ft. Sportsman Paradise retail center attached to the Distribution Center. The **\$43 million** retail/DC complex will anchor a 207 acre retail development in the North Pointe Overlook Park in north Bibb County. Bass Pro will **hire 400** for the complex. Bass Pro chose the Macon site over other sites in the Southeast.
